## WOLVERHAMPTON COMPANY FIRST TO GAIN NEW CONSULTANCY STANDARD

**1 February 2009.** [Mellow Marsh Software Ltd](#), an IT and web services consultancy based in Wolverhampton, has been awarded the prestigious [Accredit UK Standard](#), which recognises the best technology consultancies in the country.

Mellow Marsh Software Ltd is the one of the first companies in Wolverhampton to achieve this accolade and is planning to use the Accredit UK standard to help grow their business. By completing the Accredit UK standard, they have been recognised as providing an efficient, honest and reliable service.

The Accredit UK standard is an independent quality mark that promotes trust in IT and helps suppliers prove their excellence. It proves to potential IT purchasers that companies holding the mark operate with appropriately skilled people, clearly defined processes, and that the company has a track record of exceeding customers' expectations.

Mellow Marsh Software Ltd offers full IT consultancy including data recovery, internet set up, network installation as well as both hardware and software sales support and anti virus sales and support.

Lee Marsh, Managing Director at Mellow Marsh Software Ltd explained why his company decided to take part in the Accredit UK certification: "There are a lot of cowboys in the IT industry and we wanted to be recognised as a company that has good processes and can be trusted. We believe that our new certification will increase customer confidence and we also wanted to be a part of the IT standards movement."

The Accredit UK Assessor said: "Mellow Marsh Software has a customer centred approach to working and is upfront and transparent in dealing with potential customers as well as their existing customer base. Their excellent referral rate is clear testimony to the fact that they are an ethical company who deserve the recognition that the Accredit UK certification provides."

Vaughan Shayler, Programme Director for Accredit UK said: "By using the Accredit UK standard, Mellow Marsh Software Ltd are helping to make it easier for purchasers to feel confident to buy services from technology companies.

94% of people that we surveyed think that the Accredit UK standard is a good idea. That is because it solves their burning need – they can now get what they want without fear."
